PREFATORY STATEMENT

WHEREAS, the Sangguniang Panglungsod ng Ormoc (this Sanggunian) was in receipt of an Endorsement from City Mayor Richard I. Gomez dated September 24, 2018 requesting for an amendment of Ordinance No. 028 to lower the average grade requirement of the City Scholarship Program for Engineering and Accountancy from 2.0 or 85% per semester to 2.2 or 83% a semester;

WHEREAS, to recall, Ormoc City Ordinance No. 28 s. 2017 otherwise known as "AN ORDINANCE INSTITUTIONALIZING THE ORMOC CITY SCHOLARSHIP PROGRAM AND ITS IMPLEMENTING STRUCTURES, PROVIDING FUNDS THEREFOR AND FOR OTHER PURPOSES" was enacted by this Sanggunian on May 11, 2017 for the purpose of declaring as a policy of the city to protect and promote the right of its constituents to quality of education at all levels and establish an access mechanism to poor but deserving students thereby guaranteeing the completion of the college or technical and vocational education as means of ensuring productive and meaningful participation in the society;

WHEREAS, the amendment sought is for the purpose of responding to the request of the Ormoc City Scholarship Board through Resolution No. 04 s. 2018 requesting the 14th Sangguniang Panlungsod of Ormoc to lower the average grade requirement of the City Scholarship Program for Engineering and Accountancy from 2.0 or 85% per semester to 2.2 or 83% per semester;

WHEREAS, the Ormoc City Scholarship Board explained in its resolution that in many meetings and assemblies of the scholars, it was a consistent request among engineering and accountancy students that the semestral average requirement for them to maintain their scholarship be reduced and this matter was brought by the Scholarship Office to the said Board in its meeting on August 7, 2018;

WHEREAS, the data from the City Scholarship Office revealed that 65% of the total number of scholars terminated due to failure of the students to maintain the average grade of 2.0 came from those taking up engineering and accountancy and in fact in the remaining scholars, only one came from those taking up engineering;

WHEREAS, the Committee on Education and Manpower Development finds merit in the request for amendment of pertinent sections in Ordinance No. 028 series of 2017 and sees the matter important in giving wider chance for those enrolled in engineering and accountancy courses to maintain their scholarship and the fact that these courses are needed for the development of the City;

WHEREFORE, all foregoing premises considered, on motion of SP Member Nolito M. Quilang, Chairman, Committee on Education and Manpower Development, severally seconded by SP Members Gregorio G. Yrastorza III, Tomas R. Serafica, Eusebio Gerardo S. Penserga and Jasper C. Yerro; be it

RESOLVED, AS IT IS HEREBY RESOLVED, to enact:
