**PREFATORY STATEMENT**

WHEREAS, pursuant to Ordinance No. 179, Series of 2013, the City Government of Ormoc governed the establishment and operation of the Ormoc City Hospital at Brgy. San Pablo, Ormoc City;

WHEREAS, the Ormoc City Hospital was originally planned to be a Special Maternal and Child Hospital and eventually be developed into a tertiary hospital in the future;

WHEREAS, the application for a Permit to Construct (PTC) a hospital by Ormoc City was approved by the Department of Health, Bureau of Health Facilities and Services, Manila, on January 31, 2012 under PTC No. 12-078, as a Special Maternal and Child Hospital;

WHEREAS, despite the approved Permit to Construct (PTC), there is still no License to Operate (LTO) granted by the Department of Health to the Ormoc City Hospital as it was not able to operate in the year 2013 because of the damage caused by typhoon Yolanda (Haiyan);

WHEREAS, the abovementioned caused the Ormoc City Hospital not to be registered as a duly licensed health facility of the Department of Health;

WHEREAS, the Local Health Board passed Resolution No. 2022-001, where Mrs. Fetch Castro, the maternal and child health program coordinator, presented a five-year data on Maternal Health in Ormoc City;

WHEREAS, the said data expressed that there is a decreasing trend in the number of deliveries from 2017 to 2021 and deliveries attended by Health Care Workers in the six (6) District Birthing Centers had also decreased since 2017;

WHEREAS, at present time, the initial purpose of the Ormoc City Hospital as a Special Maternal and Child Hospital is no longer feasible. A lot of Birthing Centers are already functioning and Ormoc City will be at loss for catering only few clients;

WHEREAS, the 15<sup>th</sup> Sangguniang Panlungsod received a letter of endorsement dated May 24, 2022, from the Office of the City Mayor requesting for the repeal of Ordinance No. 179, subject to the discretion of the Local Chief Executive;
