

Republic of the Philippines  
MUNICIPAL BOARD  
ORAO CITY  
Office of the Secretary

EXCERPT FROM THE MINUTES OF THE REGULAR SESSION OF THE MUNICIPAL BOARD OF ORAO CITY, PHILIPPINES, HELD IN ITS SESSION HALL ON DECEMBER 26, 1996

PRESIDENT:

Hon. City Mayor Esteban C. Conejon, Presiding Officer  
Hon. Rafael M. Mojila, Acting Vice Mayor, Ex-Officio Member  
Hon. Cesar Sison, City Councilor  
Hon. Emilio C. Pensorga, City Councilor  
Hon. Guillermo T. Parrilla, City Councilor  
Hon. Jorge P. Tan, Jr., City Councilor  
Hon. Alvaro I. Gutierrez, City Councilor  
Hon. Teodoro Ocubillo, City Councilor  
Hon. Marciano B. Du, City Councilor

ABSENT:

Hon. Eladio Larranabal, City Councilor

RESOLUTION NO. 202

The Board, on motion of Councilor Du, seconded by Councilor Ocubillo;

"RESOLVED, as it is hereby resolved, to adopt:

ORDINANCE NO. 8

AN ORDINANCE REQUIRING CERTIFICATES OF PAYMENT FOR GARBAGE COLLECTION SERVICE ON ALL BUSINESSES, TRADES OR OCCUPATIONS, AND RESIDENCES; PRESCRIBING FEES AND AUTHORIZING THE EXPENDITURE OF ALL COLLECTIONS THEREFROM FOR CERTAIN PURPOSES.

BE IT ORDAINED by authority of the Municipal Board of Orao City, Philippines, pursuant to the provisions of Republic Act 179 as amended by Republic Act 429, otherwise known as the Charter of Orao City, That:

SECTION 1. Certificate required.- All persons and/or entities conducting, maintaining, operating or engaged in any of the businesses, trades or occupations, or all occupants of residential houses enumerated in Item 66 of Section 3 of this Ordinance, shall be required to secure from the City Treasurer a Certificate of Payment for Garbage Collection Service. In the case of those persons who, at the time of the effectivity of this ordinance, are already engaged in the business, trades or occupations enumerated hereunder, such Certificate of Payment for Garbage Collection Service shall be secured within twenty (20) days from the date of said effectivity of this ordinance, while in the case of those who, after the effectivity of this ordinance, will engage in the businesses, trades or occupations, the same certificate shall be secured within twenty (20) days from the date they established their businesses, trades, or occupations. Failure to secure such certificate in either case within the period mentioned above shall be subject to an additional charge of fifty (50%) percentum of the original fee which shall be collected in the same manner and at the same time as the original fee. PROVIDED, HOWEVER, that any occupant of a house the assessed value of which is P1,000 or more who is not otherwise classified under Section 3 shall be required to obtain the certificate above mentioned within the period provided for.

APPROVED WITHOUT EXECUTIVE SIGNATURE  
(SEC. 179, RA 429)  
DATE SUBMITTED FOR APPROVAL: 11/26/99  
DATE RETURNED: 11/26/99  
RETURNED WITHOUT VETO.

Secretary

SECTION 2. Applications: contents of.- All persons required to secure the Certificate of Payment for Garbage Collection Service shall file with the City Treasurer an application in writing on the form prescribed by said officer for the purpose.

SECTION 3. Fees.- There shall be paid to the City Treasurer for every Certificate of Payment for Garbage Collection Service, as required under the provisions of Section 1 hereof, an annual fee in accordance with the following schedule of rates:

| <u>BUSINESS, TRADE OR OCCUPATION</u>                                                                                            | <u>ANNUAL FEE</u> |
|---------------------------------------------------------------------------------------------------------------------------------|-------------------|
| 1. Candle, soap or wax factory                                                                                                  |                   |
| a. With machinery                                                                                                               | P 7.20            |
| b. Without machinery                                                                                                            | 3.60              |
| 2. Manufacturer of paint, pastes, ink, dyes, and other similar products                                                         |                   |
| a. With machinery                                                                                                               | 12.00             |
| b. Without machinery                                                                                                            | 7.20              |
| 3. Manufacture of coconut oil                                                                                                   |                   |
| a. With five expellers or more                                                                                                  | 18.00             |
| b. With less than five expellers                                                                                                | 14.40             |
| c. Manufacture of other kinds of oil                                                                                            | 3.60              |
| 4. Manufacture of coffee or chocolate, candies, cookies, biscuits, sweets and other similar products                            |                   |
| a. With machinery                                                                                                               | 12.00             |
| b. Without machinery                                                                                                            | 7.20              |
| 5. Manufacture of lard or boiling fat, butter, sauce, sausages, hot dog, baloney and other kinds of similar products            |                   |
| a. With machinery                                                                                                               | 7.20              |
| b. Without machinery                                                                                                            | 3.60              |
| 6. Ice Cream or Ice Drop Factory                                                                                                |                   |
| a. With machinery                                                                                                               | 12.00             |
| b. Without machinery                                                                                                            | 6.00              |
| 7. Drying or curing fish                                                                                                        | 3.60              |
| 8. Tanneries                                                                                                                    | 18.00             |
| 9. Assaying laboratories                                                                                                        | 18.00             |
| 10. Ice Plants                                                                                                                  | 18.00             |
| 11. Manufacture of pharmaceutical products                                                                                      |                   |
| a. With machinery or boiler                                                                                                     | 12.00             |
| b. Without machinery                                                                                                            | 4.80              |
| 12. Manufacture of perfumeries or lotions, bayrams, hair tonics, hair pomades, lipsticks, cosmetics, and other similar products |                   |
| a. With machinery                                                                                                               | 18.00             |
| b. Without machinery                                                                                                            | 9.00              |
| 13. Manufacture of batteries for motor vehicles, charging and recharging batteries                                              | 3.60              |
| 14. Manufacture of neon lights                                                                                                  | 7.20              |
| 15. Carpentry, furniture shops and manufacture of wooden boxes                                                                  |                   |
| a. With machinery                                                                                                               | 7.20              |
| b. Without machinery                                                                                                            | 3.60              |
| 16. Manufacture of shoes:                                                                                                       |                   |
| a. With machinery                                                                                                               | 9.60              |
| b. Without machinery                                                                                                            | 3.60              |
| c. repair of shoes                                                                                                              | 1.80              |
| 17. Manufacture of mattresses                                                                                                   |                   |
| a. With bed factory connection                                                                                                  | 12.60             |
| b. Without bed factory connection                                                                                               | 4.80              |

| <u>BUSINESS, TRADE OR OCCUPATION</u>                                                                                 | <u>ANNUAL FEE</u> |
|----------------------------------------------------------------------------------------------------------------------|-------------------|
| 18. Manufacture and repair of vehicles drawn by animals:                                                             |                   |
| a. With machinery                                                                                                    | \$ 7.20           |
| b. Without machinery                                                                                                 | 3.60              |
| 19. Establishments for the construction and repair of motor vehicles:                                                |                   |
| a. With machinery installation                                                                                       | 7.20              |
| b. Without machinery installation                                                                                    | 3.60              |
| c. Establishments for the repair of motor vehicles                                                                   | 3.60              |
| 20. Blacksmith, Welding, Tinsmith & machine shops:                                                                   |                   |
| a. With machinery apparatus & forges                                                                                 | 3.60              |
| b. Without machinery but with forges                                                                                 | 1.80              |

| 65. All other businesses and trades not enume-<br>rated herein                                | 4.80              |
| 66. Occupants of residential houses the assessed<br>value of which is P1,000 to P10,000 ..... | 2.00              |
| Occupants of residential houses the assessed<br>value of which is P10,000 or more             | 4.00              |

Provided, that any person or entity engaged in two or more businesses, trades or occupations located in one and the same place, store or establishment shall pay one fee only that which is the higher or the highest, as prescribed herein; Provided, Further, that any person or entity whose business, trade or occupation is located at a place not accessible to the collection of refuse, and where collection and disposal service of whatever nature is not being rendered by the City, shall be excepted from the payment of the annual fees for which a certificate of payment is required as herein provided, in which case a certification to that effect shall be issued by the Office of the City Engineer.

SECTION 4. Definition.- For the purpose of this Ordinance, the following definitions shall apply:

- (a) Any waste matter or debris that is deposited in the place designated by the City Engineer or City Health Officer for such purpose shall be considered garbage or rubbish.
- (b) "Occupants" is defined as any person or persons who has the natural possession of the house and who is responsible for the cleanliness and sanitation of the same.

SECTION 5. Certificates issued in accordance with this Ordinance shall expire on the thirty-first day of December, renewable on or before the twentieth day of January every year. Certificates not renewed within that period shall be subject to a surcharge of fifty per centum (50%) of the prescribed fee which shall be collected in the same manner and at the same time as the prescribed fee.

SECTION 6. Penalties.- Any person who is required to obtain a certificate of payment for garbage collection service who shall fail to comply with the provisions hereof shall be punished by a fine of not less than fifty pesos nor more than two hundred pesos, or by imprisonment for not less than one month nor more than six months or both fine and imprisonment in the discretion of the court. Or the City Treasurer, may in his discretion, proceed against any person who shall be found delinquent in the payment of the fees prescribed above by levy or distraint of his property to enforce payment of the same.

SECTION 7. Use of fees collected.- All fees collected in connection with the provisions of this ordinance shall be exclusively expended in the operation of the garbage collection service.

SECTION 8. The City Engineer is hereby authorized to prescribe rules and regulations regarding garbage collection and disposal in the implementation of this ordinance.

SECTION 9. Repeal.- All ordinances or parts of ordinances inconsistent with the provisions of this ordinance are hereby repealed or modified accordingly.

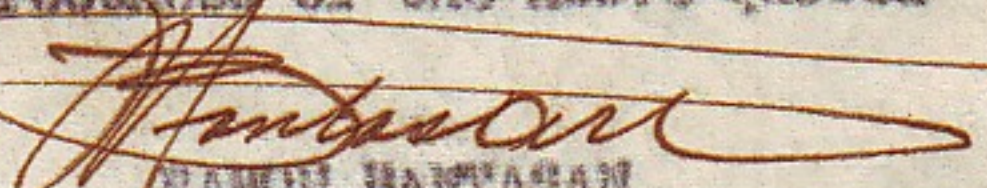

SECTION 10. Effectivity.- This ordinance shall take effect ten (10) days after the approval of the Mayor.

ENACTED, December 26, 1958.

"RESOLVED FINALLY, to furnish copies of this resolution-ordinance each to the Executive Secretary, Malacañang, Manila; and each to the Department Heads, Ormoc City; and copies posted at conspicuous public places, Ormoc City.

"ADOPTED, Unanimously."

I HEREBY CERTIFY to the correctness of the above-quoted resolution-ordinance.
