"WHEREAS, under his 1st Indorsement dated January 15, 1965, the City Engineer has called the attention of this august Body to the necessity of appropriating the sum of ₱25,234.00 from the unexpended general fund of this City to constitute its counterpart fund for the maintenance of national-provincial (city) "JJ" roads and bridges as called for in a BPH Memorandum dated March 17, 1964, otherwise, this City shall stand to lose its national government aid of the same sum;

"WHEREAS, on Sheet 8 of the Trial Balance of the City Treasurer as of June 30, 1964, there appears an "Unappropriated Accounts of ₱24,484.72 from the road and bridge fund, which this august Body, under Resolutions Nos. 345 and 346, embodying Ordinances Nos. 44 and 45, respectively, series of 1964, reverted to the general fund and forthwith expended for payment of road-right-of-way claims without the prerequisite certification of the Commissioner of Public Highways, as provided for by law, that said "Unappropriated Account" is no longer needed for road and bridge purposes, thereby rendering said Resolution-Ordinances devoid of force and effect;
