RESOLUTION NO. 933

"WHEREAS, amidst today's complexities of modern life where it requires training, modern methods and innovative techniques to cope up with the social and economic needs of the under-privileged and less fortunate people in both urban and rural areas of this city, there is a need to have an integrated approach towards this development through the establishment of a technological, manpower training and research center which shall be charged of maintaining a continuous study, research, development and evaluation of various subjects or short seminars and courses by tapping governmental agencies and even private sectors that are involved in socio-economic development program geared to uplift the common and general welfare of the people;

"WHEREAS, the Center shall: (a) serve as a fountain-source of knowledge for manpower trainers, technologists and other specialists dealing with socio-economic development activities; (b) conduct seminars, workshops and short-term technological courses on any aspect of human endeavor in general, and manpower development in particular; (c) adopt a continuous education program to keep the people abreast with modern technology and update their skills and knowledge and acquaint them along the lines of modern social and economic trends; and (d) be the 'nerve center' of all phases of socio-economic training and all research activities in Ormoc City and shall, therefore, coordinate and monitor these activities and at the same time provide the link to all government and private sectors involved in the training, program and developmental activities;

"WHEREAS, with this integrated approach, individualized agency training program will be done away with but rather undertaken by the technological, manpower training and research center as the sole city government agency which shall be responsible for such training, research and development under a unified-effort scheme.

"NOW, THEREFORE, on motion of Kagawad Tugonon, seconded unanimously by all the rest of the Kagawad; be it

"RESOLVED, to adopt:
