Gentlemen:

One of the requirements for the planned orderly installation of the standard organizational structure and staffing patterns for local governments as promulgated by the Department of Local Government is the submission of the revised position classification and pay plan (PCPP) to the Joint Commission for review and approval.

Necessarily, the revised PCPP of Ormoc City has to be revised and approved by the Joint Commission in order to allocate properly the new positions in the standard structures and staffing patterns adopted by this city and to determine whether they are in conformity with the prescribed standards.

To avoid unnecessary delay in the review and approval of the revised PCPP of this city, the following documents are hereby submitted to this August Body for adoption thru a Resolution/Ordinance.:
