RESOLUTION NO. 03

WHEREAS, the following is a citation of pertinent facts presented to and deliberated by this august Body:

The Infrastructure Fund Annual Budget of Ormoc City for CY 1991 has been approved through Resolution No. 169 s. 1990 embodying Appropriation Ordinance No. 91-02. One item under Expenditures (or Appropriations) of said Budget pertains to Capital Outlay in the total amount of P9,130,000.00 and, included as one breakdown in said Capital Outlay is the Construction of Covered Auditorium amounting to P8,700,000.00, supporting schedule of which can be found in Item 3 under Capital Outlay, page 153 of the 1991 Infrastructure Fund Annual Budget.

Her Honor, the City Mayor, through a letter dated 21 January 1991, has requested the Honorable Sangguniang Panlungsod for reclassification of a portion of the 1991 INFRA Budget under the Capital Outlay, specifically on a supporting schedule re Construction of Covered Auditorium, with particulars as follow:

Construction of Multi-Purpose Gymnasium	-	P 8,182,190.00
Backfill	-	517,810.00

Total Appropriation	-	P 8,700,000.00
		=====

The aforementioned request for reclassification is premised to the fact that Purchase Request No. 0098 dated 14 January 1991 and other pertinent papers, (duly accomplished Program of Work and its Detailed Estimates re Backfilling of Site for Construction of Covered Auditorium), were returned from the City Treasurer's Office with a comment of the City Treasurer, as quoted: "Backfilling is part of the Cost of Land therefore this could not not be charged to the Construction of Multi-Purpose Gymnasium which is under the Cost of Building."

(RES. NO. 03, ORD NO. 25 S. 1991)

The City Budget Officer, through 3rd Indorsement dated 23 January 1991, has the following comments:

"This request of the Honorable City Mayor seeks to reclassify - subject to SP authority - the amount of P517,810.00" from the appropriation of P8,700,000.00 on Construction of Covered Auditorium, "to Land Improvement - Backfilling of Site for Construction of Multi-Purpose Gymnasium."

"Hence, with SP authority to this effect, the Capital Outlay portion of the 1991 Infrastructure Fund Annual Budget will still carry the same total and the same component/constituting accounts except for the appropriation on construction which will be recasted as follows:

"From:

Construction of Covered Auditorium - P 8,700,000.00

"To:

Construction of Covered Auditorium - P 8,182,190.00

Land Improvement -

Backfilling of Site for Construction of Covered Auditorium - 517,810.00

P 8,700,000.00 ."

WHEREFORE, on motion of Kagawad Sixto T. Pongos, Chairman, Committee on Finance, duly seconded by Kagawad Gregorio A. Yrastorza, Jr., be it

RESOLVED, to adopt:
