EXPLANATORY NOTE

Last October 4, 1999 and October 15, 1999, Ormoc City Motorcycle Operators & Drivers Association (OCMODA) and Federation of Free Farmer's Drivers Association, respectively, filed a petition requesting for an increase in fare rates for tricycles.

The present fare for tricycle was approved last January 16, 1997. Since that time up to this date there had been several escalations in the price of fuel and other oil products so that the current fare does not anymore provide the operator a reasonable return of their investment.

After a public hearing with the operators, drivers and the commuting public, and after the result of the hearing was evaluated by the Committee on Transportation & Communications, the said Committee finds the petition of OCMODA to be meritorious and reasonable, and is recommending approval of the said petition.

WHEREFORE, on motion presented by City Councilor Eduardo P. Tan, Chairman, Committee on Transportation & Communications, jointly seconded by City Councilors Sotero M. Pepito and Chiqui B. Labagala; be it

RESOLVED, to adopt:
