PREFATORY STATEMENT

The Eleventh Sangguniang Panlungsod ng Ormoc has received an indorsement from the Office of the City Mayor relative to the communications coming from the Ormoc Motorized Tricycles for Hire Operators and Drivers Association (OMTODA) dated January 13, 2010 and January 28, 2010. The subject thereof, is the appeal of the Officers and Members of the aforementioned association for an increase of the minimum fare of tricycles for hire within the City of Ormoc which was proposed to be at P0.50 within the City Proper and P1.00 for all Barangays within the city.

The request was anchored on the fact that the prices of gasoline and other petroleum products have considerably increased for the past months. Data showed that in the last quarter of 2008 the premium gasoline being used by tricycles only costs P34.00/ liter more or less. Since then, its price tremendously went up bringing it to the current price of almost P50.00/liter. Adding to the dilemma, is the high cost of spare parts necessary to keep the vehicle in good running condition. These facts render the daily income of both tricycle drivers and operators much lesser and insufficient to make both ends meet considering the high prices of prime commodities nowadays. Thus, it is believed that the approval of the requested fare increase is beneficial and will strengthen the purchasing power of the drivers and operators.

In order to determine the fairness of the proposed minimum fare increase as initiated by the members of OMTODA, a Public Hearing was conducted on March 3, 2010 at the Sangguniang Panlungsod Session Hall. In the presence of concerned authorities, the matter was thoroughly discussed taking into consideration the pros and cons of the issue. The consultation yielded favorable results and the proposal to impose a P0.50 increase on the minimum fare within the city proper and P1.00 increase in all barangays within Ormoc City, received positive response from the public.

FOREGOING PREMISES CONSIDERED, on motion of City Councilor Jose C. Alfaro, Jr, Vice-Chairman, Committee on Communications and Transportation, jointly seconded by City Councilors Mariano Y. Corro and Fernando P. Parrilla; be it

RESOLVED, to enact:
