EXPLANATORY STATEMENT

WHEREAS, Ordinance No. 041, series of 2020, otherwise known as an Ordinance Establishing the Ormoc City Museum, Providing for its Organizational Structure, Defining its Powers, Duties and Functions, and for Other Purposes", was signed into law last September 29, 2020;

WHEREAS, the Human Resource Management Office raised a concern that in the aforesaid Ordinance, the proposed position "Project Development Officer III" is rather general and belongs to an Occupational Service and the function of which is less intimate to tourism. As such, it is prudent to align proposed position/s to the Index of Occupational Service (IOS) more specific to the function of tourism and in consonance with CSC Memorandum Circular No. 04, s 2018, "QS for the Tourism Operations Positions in the Local Government Units Pursuant to R.A. No. 9593";

WHEREAS, based on the Index of Occupational Services (IOS) that contains the list of classes or position titles existing in the government grouped by occupation, the "Project Development Officer III" belongs to *Planning Services* concerned with the formulation, implementation and evaluation of development plans, programs and projects. The head of the museum on the other hand which takes charge of the entire operations of the City Museum falls under the Tourism enterprises where the proposed position fits more consistently. The *Tourism Industry Services* where the 'Senior Tourism Operations Officer' belongs, is concerned with developing, promoting and regulating trade, tourism, cooperatives and other commercial and industrial activities, consistent with RA 9593 otherwise known as "The Tourism Act of 2009";

WHEREAS, Ordinance No. 004, also known as the "Ormoc City Tourism Policy and Program Ordinance of 2016", the highest position created is the 'Supervising Tourism Operations Officer' with Salary Grade 22 while the proposed 'Senior Tourism Operations Officer' has Salary Grade 18. It is lower than the existing City Tourism Officer and therefore has no conflict;

WHEREAS, Section 76 of Republic Act No. 7160, otherwise known as the Local Government Code of 1991, provides that "every local government unit shall design and implement its own organizational structure and staffing pattern taking into consideration its service requirements and financial capability, subject to the minimum standards and guidelines prescribed by the Civil Service Commission";

WHEREAS, to address said concern and be in line with above mandates, the position name shall be changed;

NOW, THEREFORE, on joint motion of SP Member Jasper M. Lucero, Chairman, Committee on Good Government and Oversight, and SP Member Peter M. Rodriguez, Chairman, Committee on Tourism, Culture and Arts, severally seconded by SP Members Tomas R. Serafica, Joan Marbie C. Simbajon, Esteban V. Laurente, Eusebio Gerardo S. Penserga, Lalaine A. Marcos and Roiland H. Villasencio; be it

RESOLVED, to enact:
