verbatim, as follows:

DEPARTMENT OF PUBLIC WORKS AND COMMUNICATIONS  
BUREAU OF PUBLIC WORKS  
Ormoc City  
Office of the City Engineer

September 7, 1949

The Honorable City Council  
Through the City Treasurer  
Ormoc City

Gentlemen:

I have the honor to inform the Honorable Body that  
the reconstructions of the Home Economics and the two  
(2) Shop Buildings could not be completed due to the fact  
that the total amounts of awards from the Philippine War  
Damage Commission have already been exhausted, being  
really insufficient to meet the expenditures for the whole  
constructions.

In view of which, I am requesting that Honorable Body  
to set aside any available city funds, within their power  
which I recommend to be appropriated for:

1. Completion of the Home Economics Building  
with Exterior Painting- - - - - P2,500.00
2. Completion of Shop Building No. 1-A  
with Exterior Painting- - - - - 1,600.00
3. Completion of Shop Building No. 3  
with Exterior Painting- - - - - 2,200.00

The above request and recommendation are based upon  
the conditions set forth by the PWDC, as per copy of such  
letter hereto attached and the pertinent portions of the  
provision of Article V of the Agreement between the U.S.A.  
and the Republic of the Philippines regarding the payment  
of public and private claims, quoted hereunder:

"After a project is initiated, if such funds are found to be in excess of the requirements, such excess shall be returned to the Commission, and if the funds are found to be insufficient the Government of the Republic of the Philippines shall complete the work, or a useful unit thereof, from its own funds. The Commission shall not be obligated to advance funds except as the work progresses and the Commission is satisfied that all the terms of this Agreement are being met".

Anticipating your favorable action of the above request, I remain

Very respectfully,
