In order to avoid unnecessary waste of water and in order to provide satisfactory service to our present consumers, it is requested that the Honorable City Council as a legislative body, pass a resolution stopping new installations until the city government shall have been able to furnish water meters.

This request is being made in order to legalize the prohibition which in effect is contrary to the provisions of Ordinance No. 6 pertaining to Ormoc Waterworks which provides for furnishing consumers through flat rate pending installation of water meters.

Very respectfully,

(SGD.) FERNANDO C. MONTES
City Engineer

The Board on motion of Vice Mayor Marcelo Bandalan, seconded by Councilor Porfirio Ayuyao;
