RESOLUTION NO. 12

Letter of the City Engineer dated December 2, 1950 to the Municipal Board thru the Honorable City Mayor, Ormoc City, hereunder quoted verbatim as follows:

REPUBLIC OF THE PHILIPPINES
ORMOC CITY
Office of the City Engineer

December 2, 1950

The Honorable City Mayor
Thru the Honorable City Vice Mayor
Honorable City Councilors
Gentlemen:

For your consideration and approval, I have the honor to submit herewith the vehicular traffic flow which I strongly recommend to be promulgated here in Ormoc City.

This Master traffic plan has been studied in the anticipation of the Milling Season so as to have systematic form of maintenance and cleaning of our roads and city streets and to minimize unnecessary traffic snarls and accidents. This is also in conjunction with the B.P.W. Circular No. 22 and Commonwealth Act No. 548 regarding regulation of traffic flow on National and Provincial Highways. I believe that the herein traffic plan if adopted would minimize or eliminate the traffic congestion among the busy streets.

I anticipate therefore for your favorable consideration and early approval thereof, so that this department can make the necessary traffic signs needed without delay.

Very respectfully,

(SGD.) Fernando C. Montes
City Engineer
