RESOLUTION NO. 46

Letter of Engr. Placido Enecio, dated February 26,
1954, addressed to the Municipal Board, Ormoc City, here-
under quoted verbatim as follows:

"Ormoc City
February 26, 1954

The Honorable Municipal Board
Ormoc City

S i r s :

With reference to your letter of February 24th, I
have the honor to advise you that I am willing to construct
the Public Market Tiendas under either of the two items con-
tained in my proposal sheet, to wit:

1. For the construction of Public Market Tiendas
(double) 7 bays, 4.00 x 8.00 complete as per
plans and specifications using old footings
for ₱10,600.00 to be completed in 50 working
days.
2. Same as item 1 but without ceiling, partition
and siding using old footings for ₱7,900.00 to
be completed in 30 working days.

It is respectfully requested that item 2 (Open Market
Tiendas) for ₱7,900.00 be awarded to me for the following
reasons:

1. At the time I prepared my estimate about half
a year ago, price of lumber, particularly T&G
boards for ceiling, partition and siding, was
then lower than the current price. Hence, the
risk of losing under item 1 is greater.
2. The amount of capital I can possibly invest
now is less than when I won the bid last August
29, 1953 because part of my capital will be
diverted to another contract in Merida, Leyte
which I expect to start next week. Item 1 calls
for a bigger capital as it is a bigger contract.
3. Ceiling, partition and siding can be constructed
individually by the prospective stallholders as
has been the practice in other stalls of the

(next page, please)

market. A savings in market collection is effected if these stalls are made available for occupancy at the earliest possible time.

However, if the Honorable Municipal Board, for one reason or another, will turn down this request I will have no other alternative but to reiterate my willingness to accept whichever item of my proposal will be awarded to me.

It is further requested that the market supervisor be instructed to advise the present occupants of the premises to vacate and clear the site of their present temporary stores a week before commencement of our construction and that a good space near the building site be assigned to me for storage of building materials.

Very respectfully,

(SGD) PLACIDO ENECIO
Reg. Civil Engineer
Contractor

NOW THEREFORE; the Board on motion of Councilor Guillermo T. Parrilla, seconded by Councilor Teotimo Ocubillo;

BE IT RESOLVED, as is hereby resolved, that the award for the construction of the Public Market Tiendas be given to Engineer Placido Enecio who won the bid for the purpose;

BE IT FURTHER RESOLVED, that the Public Market Tiendas be constructed in accordance with No. 2 (P7,900.00) of the above quoted letter of the contractor;

FINALLY RESOLVED, to furnish copy of this resolution each to the Hon. City Mayor, Ormoc City; City Treasurer; City Auditor; City Engineer; Market Superintendent; and Engineer Placido Enecio, all of Ormoc City.

I HEREBY CERTIFY to the correctness of the above-quoted resolution.
