RESOLUTION NO. 69

WHEREAS, this Body has reliably been informed that upon the recommendation of the Government Survey and Reorganization Commission as submitted by the President of the Philippines in his report to Congress on the reorganization of government bureaus, entities, and offices that the Fertilizer Administration under the Department of Agriculture and Natural Resources be dissolved and its functions be transferred to different offices;

WHEREAS, the Fertilizer Administration has played a vital role in making farmers fertilizer conscious thus paving the way for the increase of agricultural production;

WHEREAS, the transfer of the different functions of the Fertilizer Administration to the different offices of the government would only disrupt the efficient distribution of fertilizers throughout the Philippines;

WHEREAS, the Fertilizer Administration has always lived up to the expectation of being the only entity who can efficiently handle the distribution of fertilizer throughout the country;

NOW THEREFORE, the Board, on motion of Councilor Esteban C. Conejos, seconded by Councilor Porfirio Ayuyao;

BE IT RESOLVED, as is hereby resolved, to request all concerned, particularly the Congress of the Philippines to reject the recommendation of the Government Survey and Reorganization Commission as to the abolition of the Fertilizer Administration and to retain the same in status quo, so that the purposes for which it was established may be effectively carried out for the benefit of our farming population, in particular, and for the economic welfare of the nation, in general;

RESOLVED FINALLY; to furnish copy of this resolution each to the President of the Philippines; Malacañang, Manila; the President of the Senate, Manila; the Speaker of the House of Representatives; Manila; the Speaker Pro-tempore, HR., Manila; the Hon. City Mayor; City Treasurer; City Auditor; City Agronomist, all of Ormoc City.  
CARRIED UNANIMOUSLY.
