RESOLUTION NO. 106

WHEREAS, we have noted that an amount of five million pesos has been authorized by the President to be negotiated by the NARIC from the RFC as a loan for the construction of bodegas and rice driers in Cotabato and other rice producing areas of the Philippines;

WHEREAS, there is now an agency of the NARIC in Ormoc City that is already functioning to the advantage of the population of this City and the western coast of the province of Leyte but will be very much handicapped in the future due to the absence of a warehouse and a rice drier.
