1st Indorsement  
August 29, 1955

Respectfully returned to the Honorable Municipal Board, this city, with the information that Res. No. 121 dated August 13, 1955 of that Body is hereby vetoed.

Miss Crispina S. Palang, as Teacher In-Charge of the Ormoc City High School, is directly held responsible or may be held criminally liable for the amount of ₱4,990.50 corresponding to tuition fees of high school students last year which until now, according to her report to the City Treasurer, allegedly remained unpaid by the students, to the prejudice of the City Government. As a result of this, the high school teachers and office personnel of said school have not been paid as yet their three months salaries and the building rental in the amount of ₱1,000.00 accruing to the PGC which owned the building that house the Ormoc City High School has not also as yet been paid.

Since Miss Crispina S. Palang is at present under investigation by both the office of the City Treasurer and the Office of the City Auditor in accordance with the motion of that Body dated August 12, 1955 and pursuant to the letter of this Office to the City Treasurer, this city, dated August 22, 1955 instructing the latter to conduct an investigation on the matter and to submit a report of his findings of the case, the above resolution seems and appears to be not in order. Unless Miss Palang is cleared of this responsibility there is no logical ground upon which the above resolution is based in order to justify the promulgation and passing of same resolution.

Hence, this veto.

Actg. Vice Mayor & Actg. City Mayor
