Gentlemen:

In compliance with your request for a survey and investigation of the proposed Margen Waterworks as stipulated in Resolution No. 209, c. s., I have the honor to inform you that as per result of an ocular inspection:

2. The main line will have a length of 1000 meters while the distribution system will be 500 meters; and

3. Per rough estimates of this Office, the proposed system will cost ₱10,000.00.

Very truly yours,
