RESOLUTION NO. 1218

A RESOLUTION EARNESTLY REITERATING OUR REQUEST TO THE HONORABLE
FIRST LADY AND MINISTER OF HUMAN SETTLEMENTS, MADAM IMELDA
ROMUALDEZ-MARCOS, FOR THE REPLACEMENT OF THE OLD TWO-STORY
40-ROOM ORMOC CITY CENTRAL SCHOOL BUILDING WITH A TWO-STORY
40-ROOM IMELDA TYPE BAGONG LIPUNAN SCHOOL BUILDING FOR THE
ULTIMATE SAFETY OF TEACHERS AND SCHOOL CHILDREN

"WHEREAS, this august Body will remember having passed and approved Resolution No. 1084 last December 1, 1981, most respectfully requesting the Honorable First Lady and Human Settlements Minister Imelda Romualdez-Marcos to help the City of Ormoc by allocating an Imelda type Bagong Lipunan School Building to replace the two-story 40-room Ormoc City Central School Building;

"WHEREAS, apprehensive of the dilapidating condition of the old two-story-40-room buildings constructed in the middle forties this Honorable Body requested the Office of the City Engineer to conduct an ocular inspection, survey and investigation of the Ormoc City Central School Building whether it is still fit for occupancy;

"WHEREAS, in response to our request Mr. Enrique O. Salapantan, Civil Engineer, Office of the City Engineer, reported that:

1. The building was constructed in 1946 or thirty-six (36) years ago and constructed mostly of lauan or its kind except for the posts which are made of hardwood;
2. The outer side of the building was repainted six years ago and a minor repair of the roofing was made nine years ago;
3. The bottom of the 10" x 10" posts are so rotten that cause the building to tilt in the western side;
4. The two 3" x 12" girders of the first floor and the two 2" x 14" girders of the second floor, specially the one supporting the corridor which is always hit by the rain, are all dilapidated;
5. The floorings are in their ultimate strength when used during classes since they vibrate much when anybody walks along; and

- continued -

"WHEREAS, according to the assessment of the City Engineer's, the subject school building is quite dilapidated and unfit for prolonged use and that repair can be useless and will only be a waste of money since all the main structures are rotten;

"WHEREAS, we dread the day when the building might collapse in even a very slight tremor and might claim hundreds of lives among school teachers and children such that an immediate replacement of said building becomes imperative;

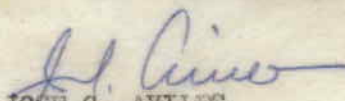

"NOW, THEREFORE, on motion of Kagawad Santiago, seconded unanimously by all the other Mga Kagawad; be it

"RESOLVED, to earnestly reiterate our request to the Honorable First Lady and Minister of Human Settlements, Madam Imelda Romualdez-Marcos, for the replacement of the old and dilapidated two-story, 40-room Ormoc City Central School Building with a two-story, 40-room Imelda Type Bagong Lipunan School Building for the ultimate safety of the school teachers and children; and be it

"RESOLVED, FURTHER, to furnish a copy of this resolution each to the Honorable First Lady and Minister of Human Settlements, Madam Imelda Romualdez-Marcos, Malacañang; Minister of Education and Culture, both in Metro Manila; the Regional Director, Ministry of Education and Culture, Tacloban City; the Schools Division Superintendent and the City Engineer, both in Ormoc City;

"CARRIED UNANIMOUSLY."

I HEREBY CERTIFY to the correctness of the above-quoted resolution.
