RESOLUTION NO. 39

A RESOLUTION CALLING THE ATTENTION OF THE POLLUTION CONTROL OFFICER
OF ORMOC CITY REGARDING THE POLLUTION IN BARANGAY LILO-AN AND
OTHER NEIGHBORING AFFECTED AREAS

"WHEREAS, Kagawad Sumaljag has presented the pollution problem of ba-
rangay Lilo-an and other neighboring affected areas;

"WHEREAS, Kagawad Suan manifested that the pollution does not only
affect Barangay Lilo-an but also the Pagsanga-an river, the cause of which
is the clearing of HIDECO every three months and everytime that is cleared
it is discharged to Bao river and extends to Pagsanga-an down to the sea
and all the fishes in Pagsanga-an river are poisoned;

"WHEREAS, on June 15, 1986 Mr. Manuel T. Quilantang, by virtue of the
letter sent to him by the Honorable Papiano L. Santo, Provincial Fiscal of
Leyte, directing him to pay his indebtedness to the Bao River Irrigation
System within ten (10) days from receipt responded that after signing a do-
cument acknowledging his indebtedness he informed verbally the Inspector
from Manila and other representatives of the irrigation system to ask the
NIA to stop their water from passing through his land, first, as it was ille-
gally constructed without his consent and secondly; because the water, being
polluted on account of Tugonon and HIDECO Sugar Mill caused damage to his
crops and later he wrote NIA to cut the water connection to his farm but un-
til now no action has been taken thereon. This letter to Honorable Papiano
L. Santo is being made in order that the damage of his crops be avoided and
so that he may not be billed of and made to pay for water that he neither
needed nor wanted. Henceforth, he would welcome a confrontation through the
Office of Honorable Provincial Fiscal of Leyte, Government Center, Palo,
Leyte to set things straight and to avoid further inconvenience;

"WHEREAS, on June 20, 1986 Mr. Manuel Quilantang again, wrote a letter
to the Supervisor, Bao Irrigation Project, Valencia, Ormoc City, informing
of the pollution analysis of the Office of the NIA, dated December 8, 1980
which pollution has already spread up to his area thereby causing a very re-
markable drop of their production and soil pollution;

"NOW, THEREFORE, on motion of Kagawad Sumaljag, jointly seconded by Ka-
gawad Subingsubing and Hermosilla; be it

RESOLVED, to call the attention of the Pollution Control Officer of
Ormoc City regarding the pollution in Barangay Lilo-an and other neighboring
affected areas to make necessary steps to remedy the situation;

RESOLVED, FURTHER, to furnish a copy of this resolution each to the Pollution Control Officer, the Supervisor, Bao Irrigation Project, Valencia, Ormoc City, Engr. Teofilo M. Fran, and the Farmers of Barangay Liloan through Mr. Manuel Quilantang, all in Ormoc City.

"CARRIED UNANIMOUSLY."

I HEREBY CERTIFY to the correctness of the above-quoted resolution.
