follows:

"The committee members however would like to suggest
that in order to determine once and for all if the proposed
construction is really expensive and unnecessary, a team
composed of professionals engineers, architects, real estate
developers and others in similar profession would have to be
created so that an independent and authoritative conclusion
can be obtained. Based on the findings of this group, the
National government will now have a basis in ordering for
the stoppage of the project."

WHEREAS, said construction of a new City Hall is based on the Narrative Inspection Report dated 18 February 2000 of Engr. Antonio Z. Padayao, City Engineer, this city; (Copy of said report is hereto attached.)

WHEREAS, in order to further validate said report of the City Engineer as regards the status of the old City Hall, it is the intention of this august Body to seek and utilize the expertise and opinion of the Philippine Institute of Civil Engineers (PICE), the Institute of Integrated Electrical Engineers (IIEE) the United Architects of the Philippines (UAP) and the Association of Real Estate Developers - Ormoc Chapters to remove any cloud of doubt as to the veracity of aforementioned report, and further request said associations to submit to the Sangguniang Panlungsod ng Ormoc a written report of their findings;

WHEREAS, for purposes of giving better public service to its constituents, this august Body believes that a new and a better City Hall is necessary, hence, this request;

WHEREFORE, foregoing premises considered, on motion of City Councilor Sotero M. Pepito, jointly seconded by Fe S. Lladoc and Claudio P. Larrazabal; be it
