Hon. Richard I. Gomez

Mayor
Ormoc City

Thru: Mr. Vincent L. Emnas
City Administrator

Dear Sir:

As a backgrounder, NBI Satellite office located at Gaisano Capital, Ormoc City, served clearance applicants from Ormoc City and nearby municipalities. The satellite office caters clearance applicants at an average of 150 persons/day or 39,000 persons per year. The office came into its existence by virtue of a memorandum of agreement entered into by HEVA Management and Development Corp. (Gaisano) and the National Bureau of Investigation (NBI) on October 3, 2012, effectivity of which is five (5) years from the date of signing and expired last October, 2017. After the expiration, the office extended its service with the hope that Gaisano Management would renew its contract with the NBI. However, on 29 June 2018, the NBI received a letter from Gaisano Management that they are not renewing the contract/agreement with the NBI. On July 03, 2018, Gaisano notified NBI to vacate the premises.

The notice saddened NBI because it would mean closure of NBI Satellite office in Ormoc City, thus, deprives the people of Ormoc and nearby municipalities easy access to NBI's clearance services.

In view of the above, NBI would like to request assistance/intervention of the LGU of Ormoc City for the retention of NBI Satellite office in Ormoc City.

Very truly yours,

ARD JERRY V. ABIERA

Senior Regional Operations Manager

Robinson's Place, Ormoc City

Dear Ms. Adolfo:

GREETINGS:

I am endorsing to you the matter regarding the clearance center of the National Bureau of Investigation (NBI) in this City. This was previously located at the Gaisano Riverside Mall until the expiration of the Memorandum of Agreement this month. They are in now in urgent need of an area where they can transfer and maintain this office. Enclosed is a copy of the communication from the NBI for your information and ease of reference.

I hope you can make immediate provisions in your establishment for the clearance center needed by the NBI. The operations of an NBI satellite office will certainly facilitate and expedite the release and delivery of much needed clearance and related documents at lesser cost for the Ormocanons. There is a high volume of people acquiring and needing NBI clearances that has resulted to applicants being required to secure appointments. The presence of this office will alleviate this situation in better service to the public and increase foot traffic in your establishment.

Hoping for your usual prompt and preferential attention on this matter and thank you for your consideration of this letter.

Respectfully yours,

RICHARD L. GOMEZ, MBA
City Mayor
